Riya loved visiting her grandmother's house during the summer holidays. The house was near a quiet village surrounded by green fields and tall trees. Every morning, Riya woke up early to the sound of birds chirping outside her window. After breakfast, she helped her grandmother water the plants in the garden. Her grandmother told her interesting stories about her childhood and taught her how to grow vegetables.

In the afternoon, Riya played with her cousins under the big mango tree. They shared stories, laughed, and enjoyed homemade snacks. In the evening, Riya often sat on the porch watching the sunset while sipping warm milk. She felt peaceful and happy in the village.
